

## T-Shirt Design Contest for Center for Bright Kids Summer

The t-shirts for each program are designed by a student in that program. We are so excited to see your ideas. Guidelines are as follows: 1) must fit in the box below; 2) must be in black marker (see your RA); 3) must relate/symbolize program experience for all students; 4) must not contain any offensive imagery or language; 5) include your name in small font size in the lower right corner outside of the box

In order to be considered, designs must be given to your RA no later than Monday morning's wing meeting (the first full day of the program). The top 3 designs will be chosen by the residential staff and posted in the Dining Hall during lunch. Vote on your favorite design. T-shirts will be distributed at program end. **We highly encourage you to work on this at home and bring it along with you!**
